What happens when parts of your body begin having their own midlife crisis?  
Why do all your daily conversations include a medical update?  
Where are we going? Who knows, but if you are old, you made it!

Don't miss Fritz' hilarious insight into our BOOMER generation!

Coleman was named "Best Weatherman" in nearly every major paper in Southern California, including the Orange County Register, the San Bernardino Sun, and four times in the Los Angeles Daily News.

"...Surprising, incisive and powerful." - **Daily Variety**

"His skills go beyond finding everyday humor in various topics. His relaxed style and gift for language add depth, as though he's having a one-on-one conversation" - **Daily Breeze**
